The first event listed is '1. From In to Out: Understanding Birth (Online)' with Kaeli Sutton (W) on Sunday, 1/3/2021, from 3:00 pm to 6:00 pm. The description for this event reads: 'Traveling to the "land of birth" is like parachuting into an unknown universe. It can be the adventure of a lifetime or can be overwhelming and frightening. Understanding how it all works is an important starting point in preparing for a positive, empowering experience. Spend an afternoon or evening with other couples and learn how baby travels from inside to out. Discover the important role of the baby, the mother and the support person. Explore how emotions and thoughts shift and change through the process of birth, and how you can work together with, not against, the natural power of birth.' A blue 'Sign Up Now!' button is located at the bottom of the event card.

If you'd like to enroll for the full 7-week series, enroll in class 1. From In to Out: Understanding Birth on a date that your family can attend. Upon payment, choose the 7-week Comprehensive Series option**. Open Circle will automatically enroll you in the remaining series date class rosters.
